Dear Frank:

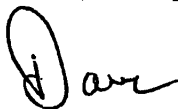

Please find enclosed check #2162 in the amount of \$1,000 payable to Kansas City University of Medicine and Biosciences (KCUMB) from Cleaver for Congress. As you may recall, I serve as Treasurer for the Congressman's campaign committee.

This refund check is voluntarily provided in response to widely reported press accounts confirming documentation that Ms. Pletz, the University's former CEO, utilized non-personal funds advanced by the University to make political contributions one of which was received in good faith by Cleaver for Congress on March 31, 2004.

The Congressman's campaign committee is pro-actively making this refund as a matter of compliance with our understanding of federal election law and not at the request of the Federal Election Commission (FEC). By way of copy of this correspondence to the FEC we are notifying the Commission of this refund.

Should you have any questions please feel free to contact me at 816-983-8000. Absent further communications on this matter Cleaver for Congress will consider this a closed issue.

Sincerely,

David Fenley.
